

*IRRIGATION CABLES*

**ID Wire**  
**HD-PE**  
**Copper**

**Description:**

Two solid conductors, insulated with 45 mils of HD-PE. Cable jacketed with moisture resistant HD-PE jacket in various colors. Rip cord included for ease of stripping.

**Application:**

Suitable for use as ID wire.

**Standards:**

ICEA S-61-402/NEMA WC-5  
ICEA S-95-658/NEMA WC-70  
Sunlight Resistant  
Direct Burial  
Color Code: Blue and Red  
RoHS Compliant
